

Application for Membership Huntsville Electro-Optical Society

The Huntsville Electro-Optical Society (HEOS) functions as a local section of the Optical Society of America (OSA) and as a regional chapter of The International Society for Optical Engineering (SPIE). It is the aim and purpose of HEOS to stimulate the knowledge of optics and the engineering of optical systems, to promote the mutual interests of its members, and to encourage free discussions of problems and discoveries among investigators of optical problems, designers, manufacturers and users of optical apparatus. HEOS cordially invites membership to all those with appropriate training, experience or interests in any branch of optics or electro-optics, including research, instruction, optical or illumination engineering, the manufacture and distribution of optical instruments or physiological and medical optics.

New member ____ Renewal ____ Update or new personal information only

Elect to join/renew online at www.heos.org/payment.php

**If this is a renewal, please give your name and only the information that has changed.
Fields marked with a * are essential.**
